

Pokoloruj wszystkie zwierzęta, które idą w prawo ➡ policz i wpisz cyfrę w kółeczku

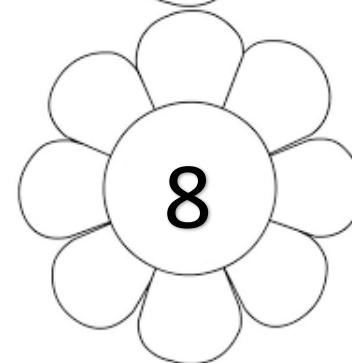

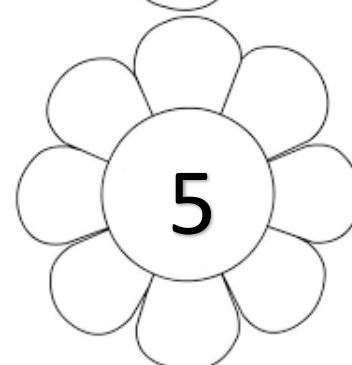

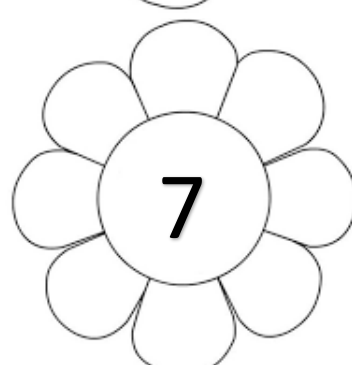

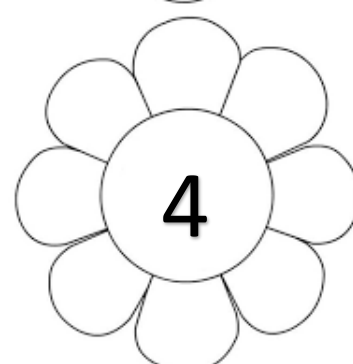

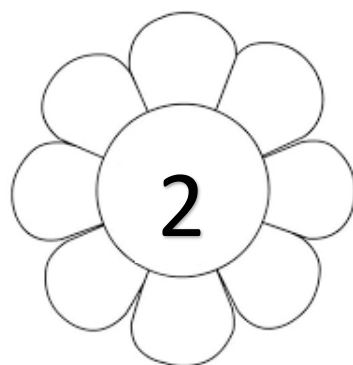

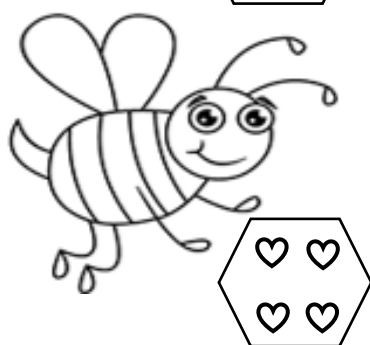

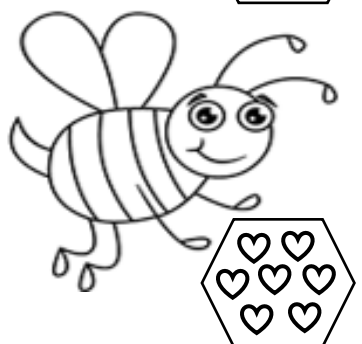

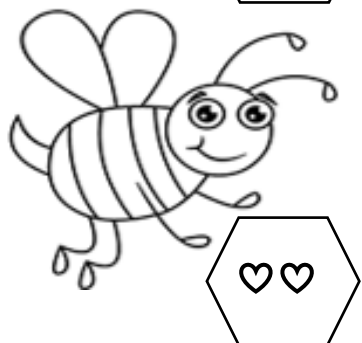

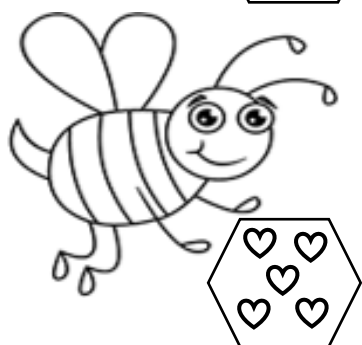

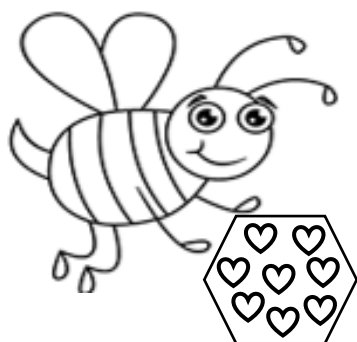

W każdym rzędzie pokoloruj tyle zwierząt ile widzisz kropek

Zaprowadź ślimaka do odpowiedniego listka

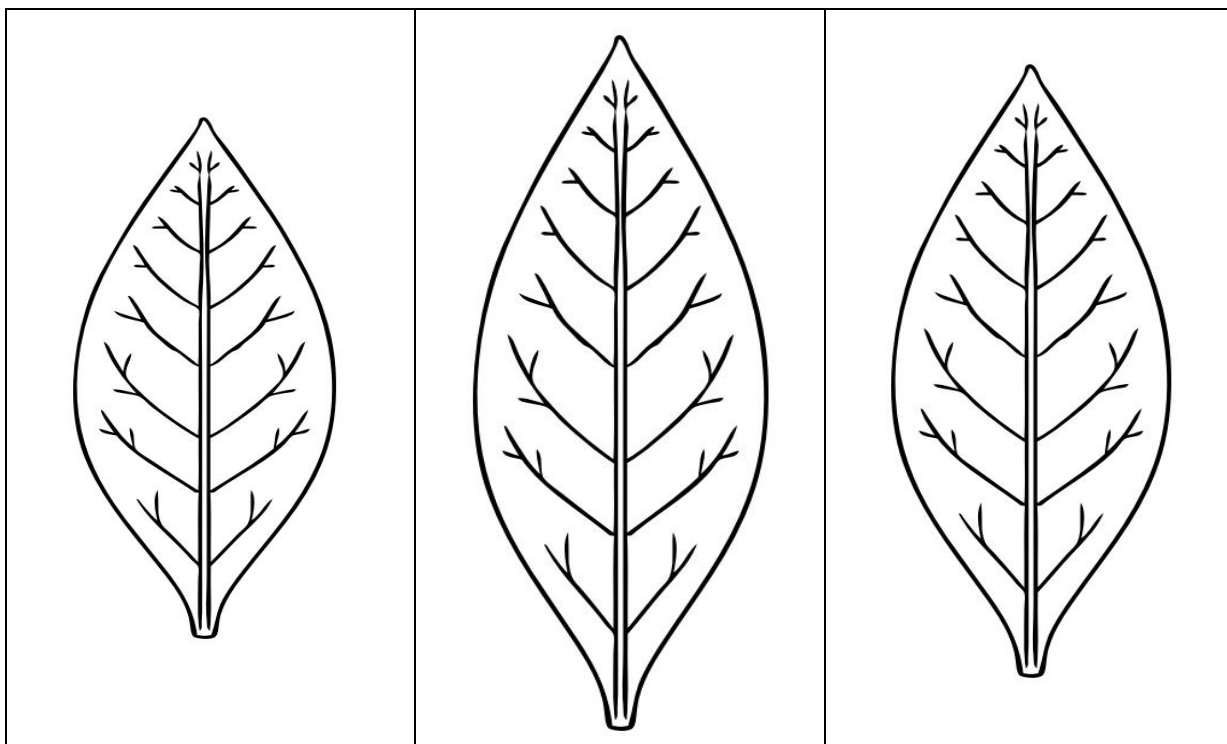

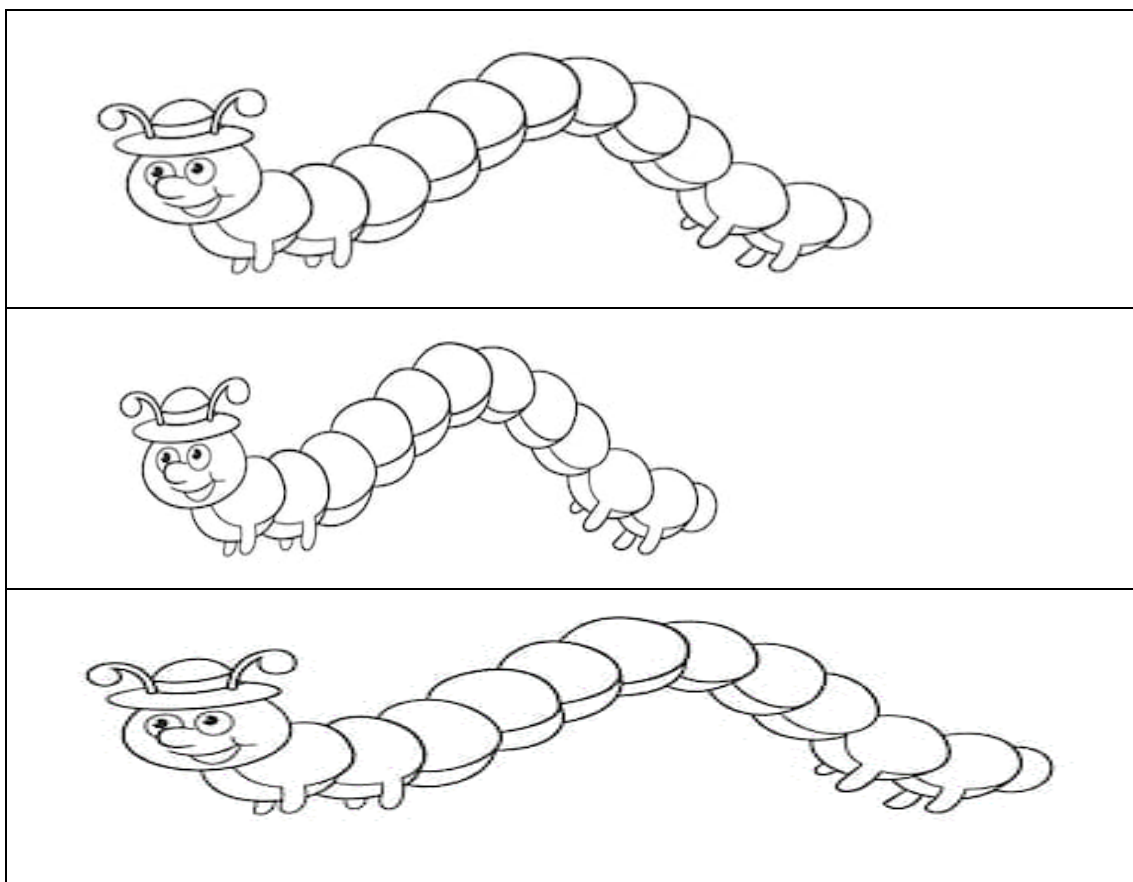

Zaprowadź pszczołkę do odpowiedniego kwiatka

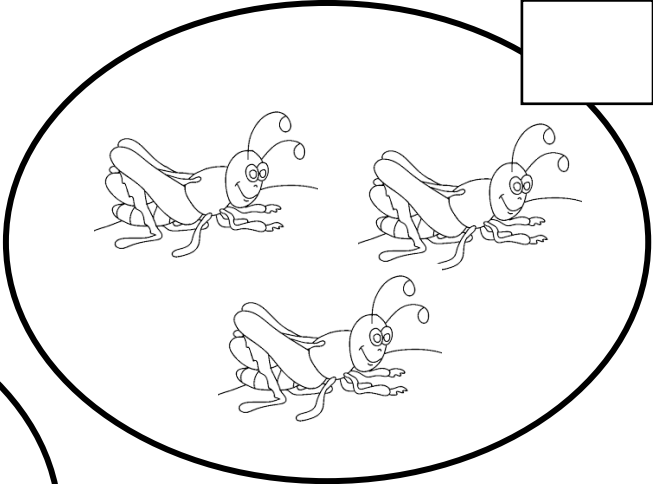

Uporządkuj robaczki i liście od najdłuższego do najkrótszego (stosując zasadę z góry na dół i od lewej do prawej. Pokoloruj

--	--	--

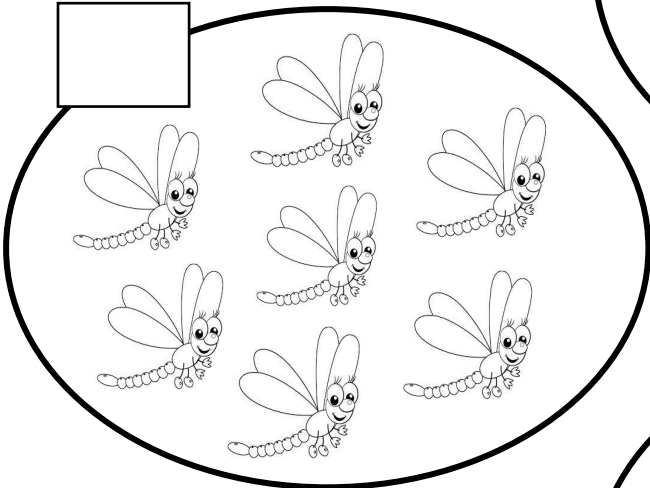

Wytnij i przyklej powyżej

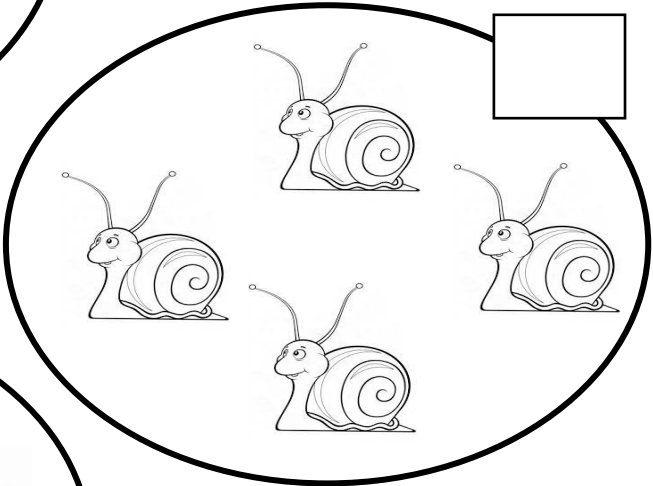

Policz zwierzęta łąkowe w zbiorach i narysuj w kwadratach tyle kresek ile jest zwierząt

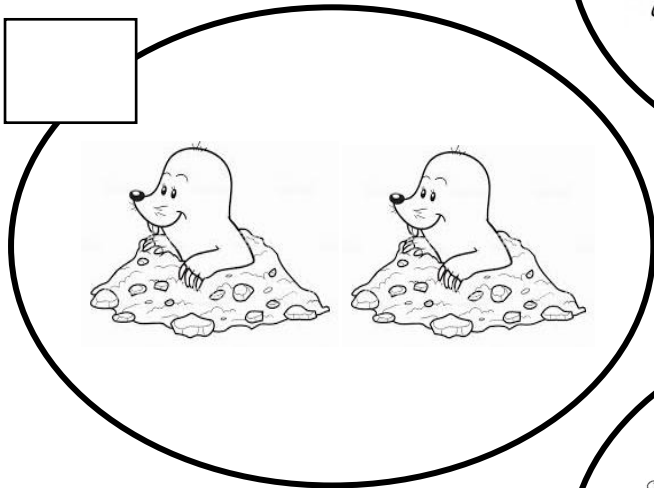

Three grasshoppers are shown in an oval frame. A small empty square box is located at the top right of the frame.

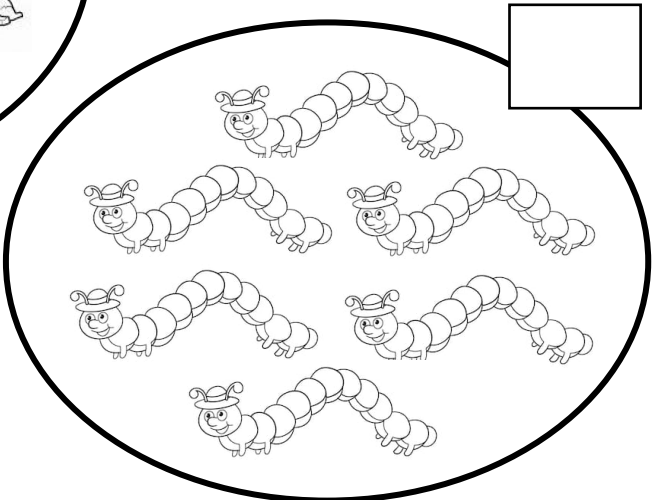

Seven dragonflies are shown in an oval frame. A small empty square box is located at the top left of the frame.

Four snails are shown in an oval frame. A small empty square box is located at the top right of the frame.

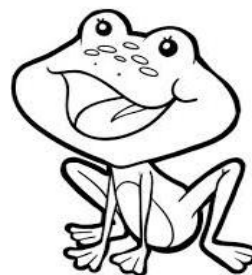

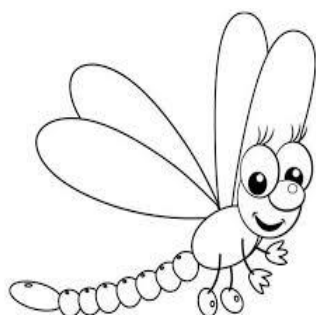

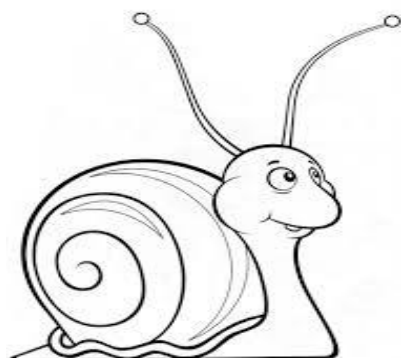

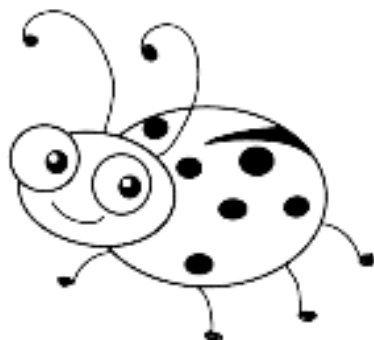

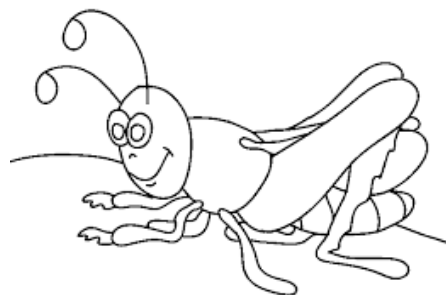

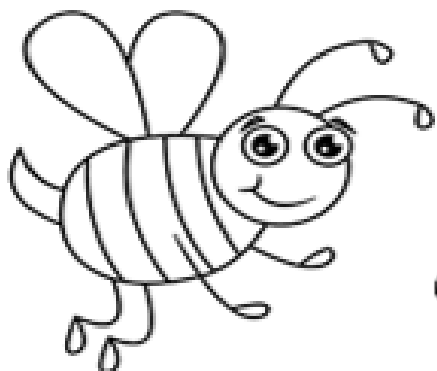

Two hedgehogs are shown in an oval frame. A small empty square box is located at the top left of the frame.

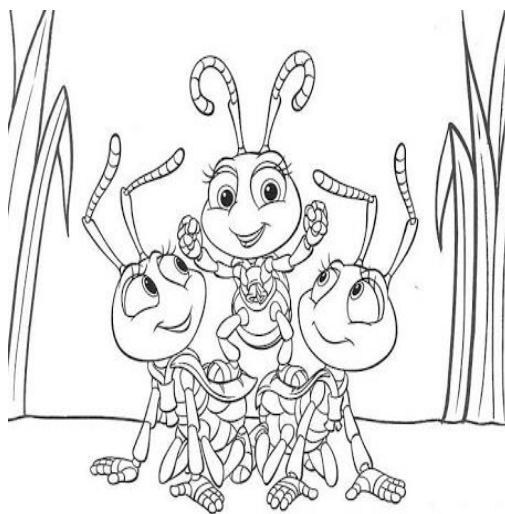

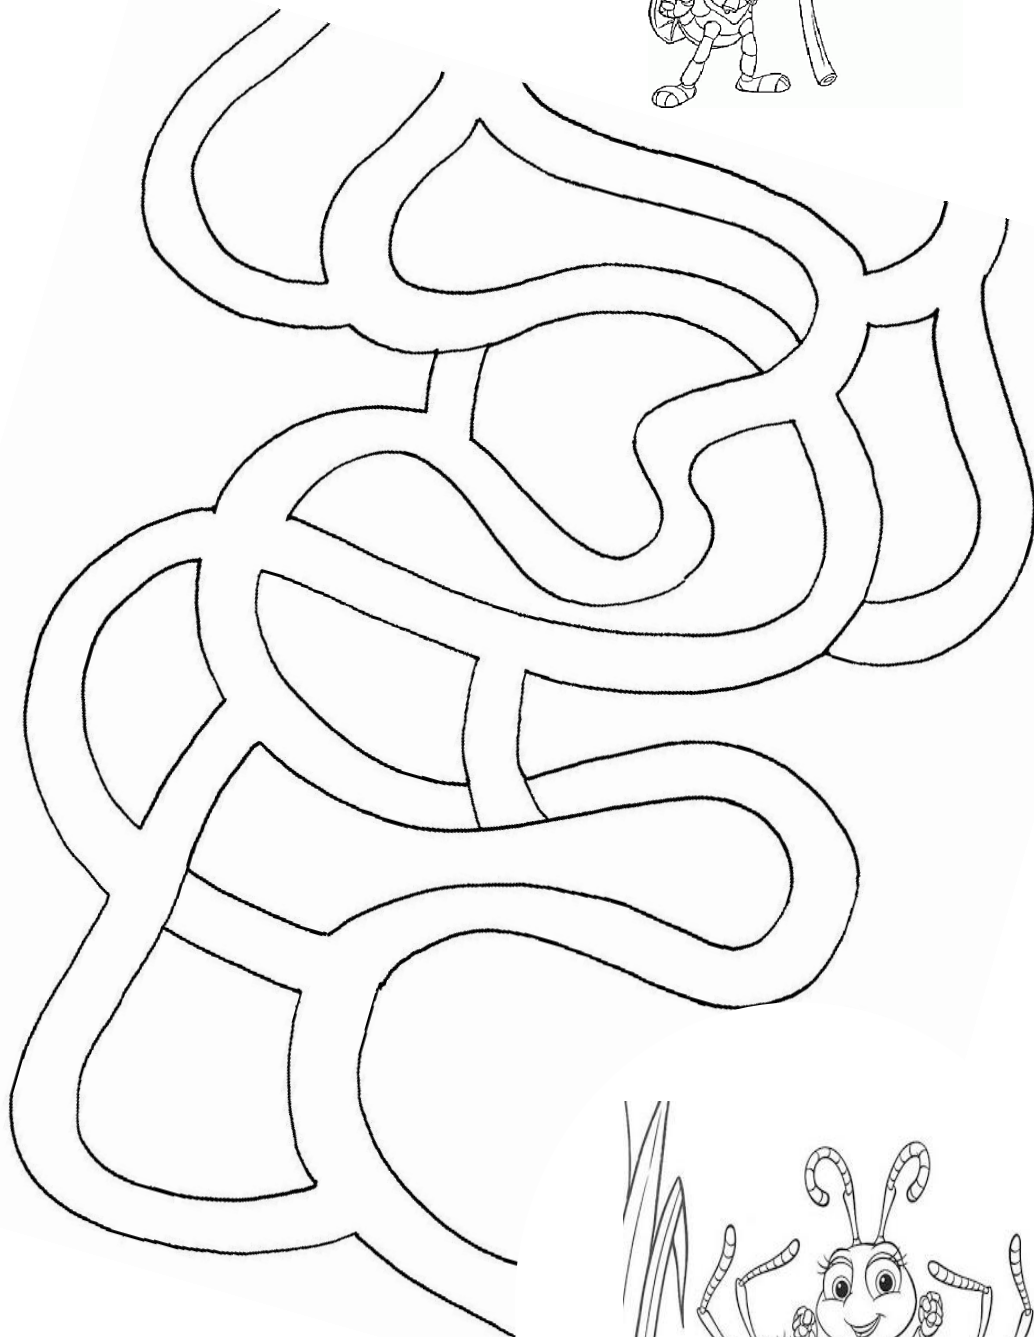

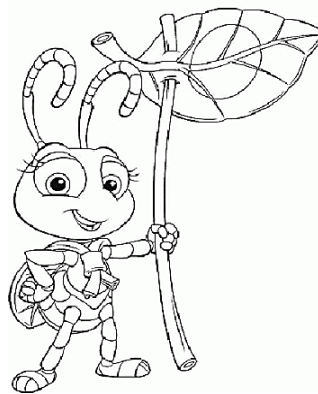

Five caterpillars are shown in an oval frame. A small empty square box is located at the top right of the frame.

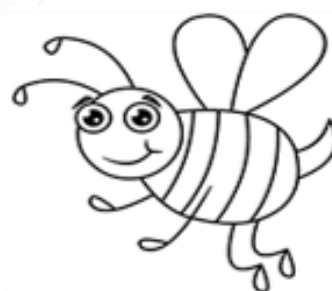

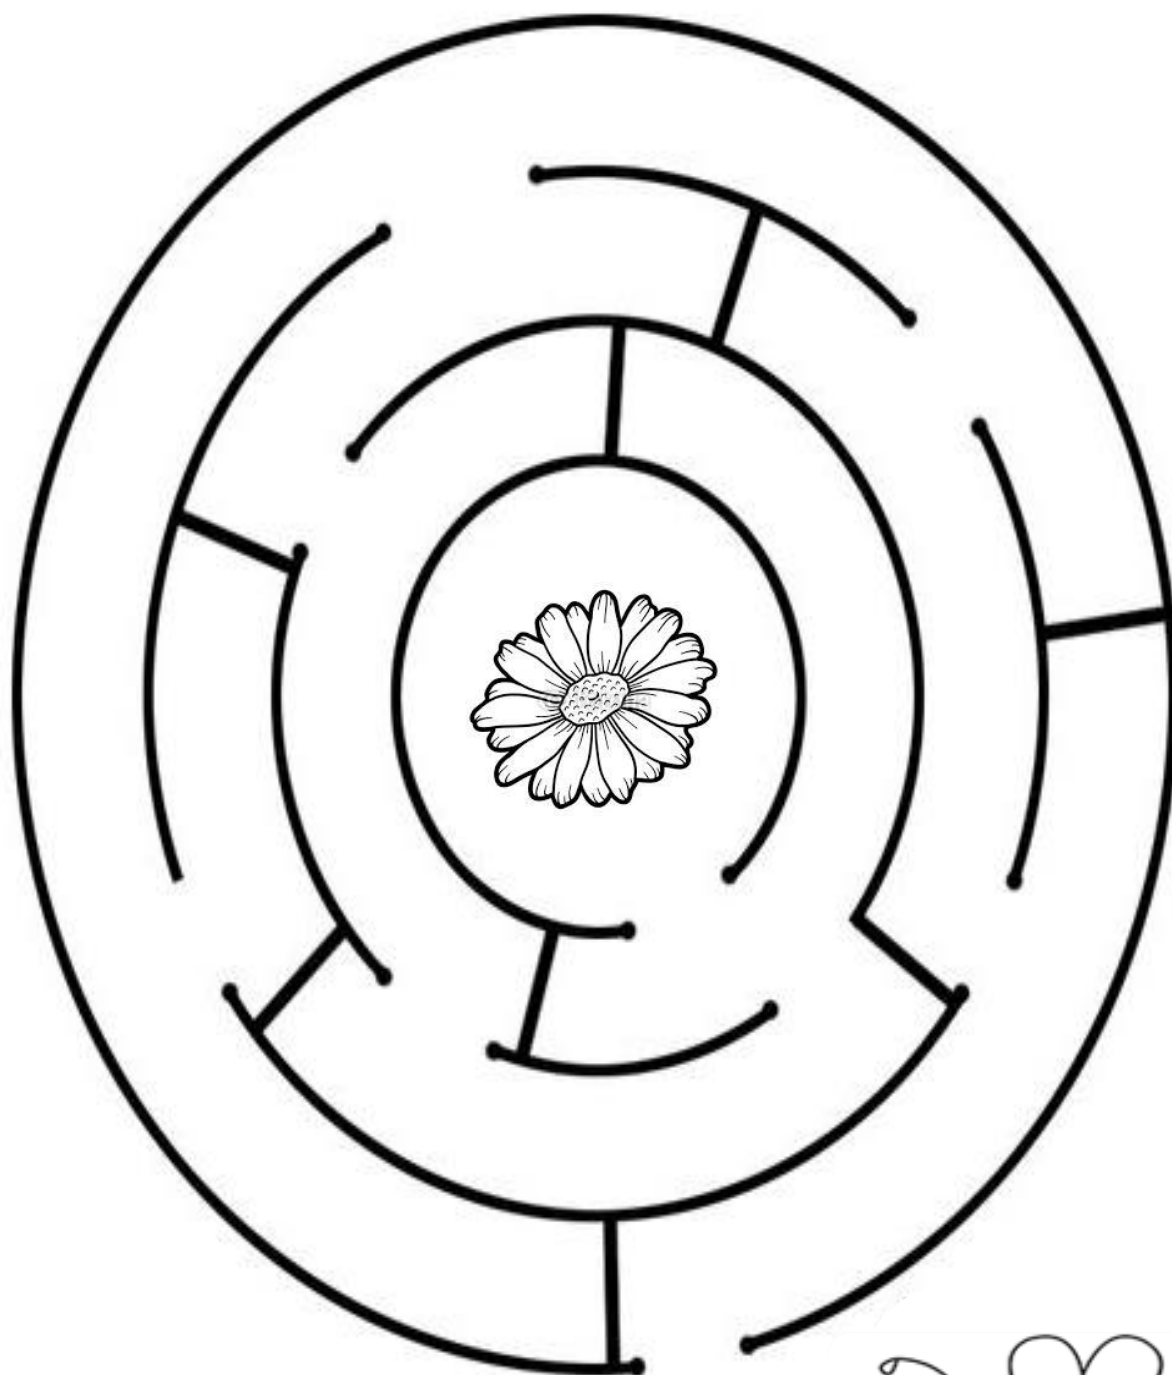

Pokoloruj tylko latające zwierzęta łąkowe

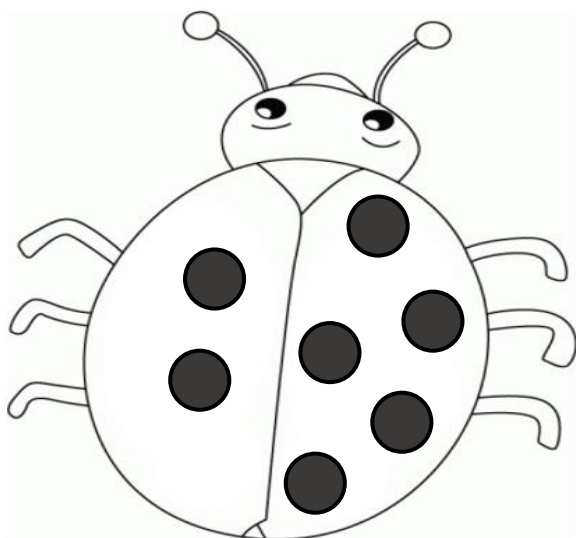

Którą drogą przejdzie mrówka do swoich przyjaciół?

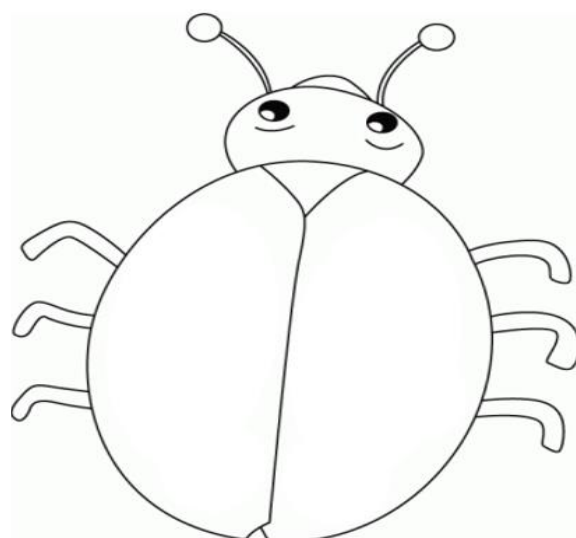

Zaprowadź pszczołę do kwiatka. Możesz zamoczyć palec w farbie i nakreślić drogę pszczoły do kwiatka odbijając ślady palca lub narysować linię starając się nie odrywać ręki od kartki. Powodzenia

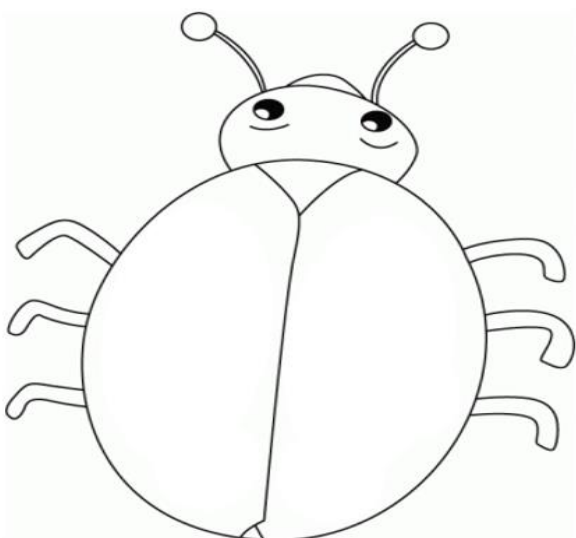

Dorysuj kropki biedronce zgodnie z równaniem według pierwszego wzoru. Policz i uzupełnij wyniki.

	biedronka
	pogoda

O jakim zwierzątku jest zagadka? Pokoloruj to zwierzę

Wesoło skacze po łące,
wąchając kwiaty pachnące,
a kiedy głód go dopada,
marchewkę na obiad zjada.

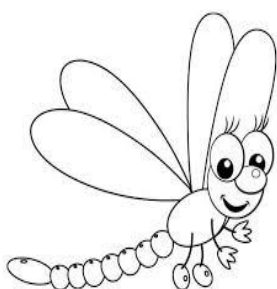

Gdy w gęstej siedzi trawie,
jest niewidoczna prawie.
Kum – kum!. Tak się odzywa.
Czy wiesz jak się nazywa?

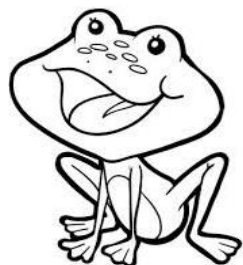

O jakim zwierzątku jest zagadka? Pokoloruj to zwierzę

Ma długi ogonek,
oczy jak paciorki.
Gdy kota zobaczy,
ucieka do norki.

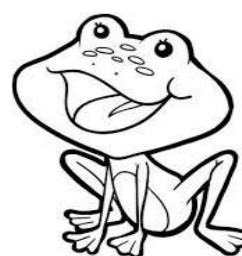

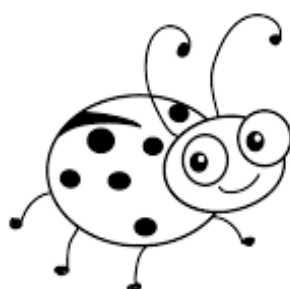

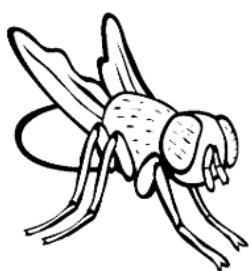

Przelatuję z kwiatka na kwiatek,
sam wyglądam jak kwietny płatek,
nie zazdrość mi jednak urody,
żyję krótko, umieram młody.

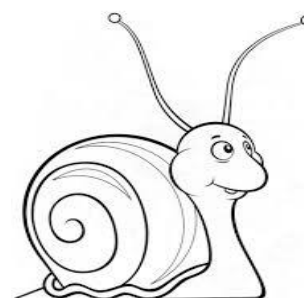

O jakim zwierzątku jest zagadka? Pokoloruj to zwierzę

Tak jak muchomorek
w kropki mam spódnice,
nie walczę z muchami,
chętniej zjadam mszyce.

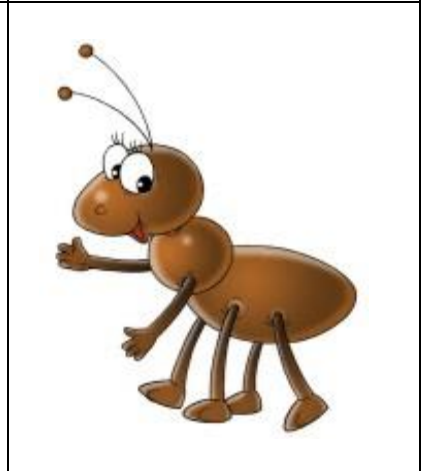

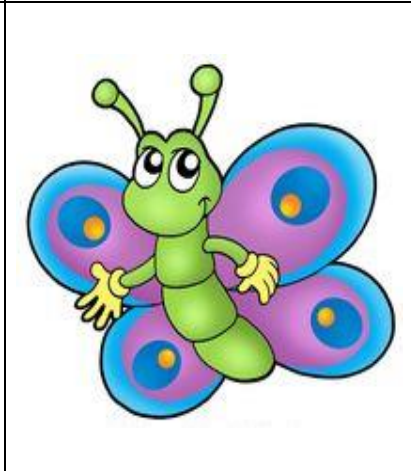

O nocleg nie prosi,
wędruje po świecie.
Bo swój domek nosi
na własnym grzbiecie.

Połącz obrazek łąki ze zwierzętami ją zamieszkującymi, gdzie można spotkać pozostałe zwierzęta ?

Policz i przyklej pod pszczołką odpowiednie plastry miodu.
